

UK Tour Game - Day 10

Hi Everyone. I hope you all had a very good night's sleep because today is going to be a very long one.

Unfortunately today is your last day here and we are catching our flight home late this afternoon.

The good news is that our flight is going to take no time at all! The flight time is a little over 9 hours and the time difference between London and Vancouver is 8 hours, so the journey only takes about 1½ hours!!! This means that we can spend a few more hours sightseeing before we have to be at the airport.

So this morning we have decided to let you do your own thing. Go where you like and see what you like. We will arrange for your luggage to be taken to the airport, all you have to do is to get back to Paddington station by 2.00pm to catch the Heathrow Express or to Heathrow Airport by 3.00pm.

We have listed below some options you might like to consider, or you can choose your own. There isn't a Treasure Hunt Sheet for today.

Time to start our journey home. We see that you decided to make your own way to London Heathrow Terminal 2 and have just arrived. We have plenty of time before the flight so just have a wander around the terminal. Make sure you purchase some snacks for the flight and maybe a book or magazine to read as well. We'll see you in the departure lounge:-

They have just posted our departure gate, number 32, so we can make our way there when you are ready. And off we go!
