

## Elm Park Triples – Cancelled games – Appendix B

If it becomes necessary to cancel a game for any reason, such as heavy rain, we will play two games on the following Tuesday.

It will still be necessary for the overall play to be completed by 1:15 p.m. so that the green is available for KLBC club bowlers to use in the afternoon. Because of this, the rules will be modified as follows for these two games:

- 1) There will be no trial ends.
- 2) Both games will be reduced to 8-end only games.
- 3) A bell will be rung at 11:15 am. for the completion of the first game and at 1 p.m. for the completion of the second.
- 4) Rules regarding completing the end being played and all other rules remain unchanged.
